This studio can be rented monthly or up to a 6 months and a day, beginning 5/16/24. That flexibility along with an awesome location on Collins Ave across the street from the sands of South Beach will generate plenty of demand, so please review the 3D Matterport Virtual Tour link prior to reaching out with any questions. If the space will work for you, please reach out and we can work through details. The boardwalk connects you to the entire barrier island that is Miami Beach, and there is a trolley and bus stop right at 37th for easy transportation around town. The unit comes furnished with a Queen bed, and all utilities are included as well as internet and cable. There are restaurants, shops and even a CVS and Walgreens all within a very short distance, including Fontainebleau and Faena!
